

Note:

1. Product Name: 24kV Straight Connector ;
2. Part No.: WEZC 24/250;
3. Standard: GB/T 12706.4, IEC 60502-4;
4. Technical data
  - AC voltage : 54kV, 5min;
  - Partial discharge: 20kV, less than 10pC;
  - Impulse withstand voltage :  $\pm 125$ kV, 10 times;
5. To mate with the bushing interface type A per EN50180&50181;
6. For XLPE insulated cable;
7. The dimensions may be changed after installation.
